Dear Mr. Wiggins,

In accordance with the contract above between the Los Angeles County Metropolitan Transportation Authority (LACMTA) and Los Angeles Police Department (LAPD), LAPD submits the attached invoice for Westlake/MacArthur Park Enhanced Deployment for 2018 DP08 (August 5, 2018 - September 1, 2018).

This request for reimbursement is for services provided by Transit Services Bureau (TSB) as requested on the attached letter from Mr. Alex Wiggins and as provisioned on the contract, "In the event of increased threat levels, special events, the need for increased crime suppression, or other exigent circumstances necessitating the deployment of additional Contractor resources above and beyond the budgeted personnel, LACMTA may request that Contractor deploy additional resources. When such resources are deployed at the request of LACMTA, LACMTA agrees to reimburse Contractor for the cost of all additional resources deployed" (Section 7.0 Billing).

It is requested that the amount of \$74,534.92 be reimbursed to the City of Los Angeles. This cost is in addition to the contractual requirements and is not part of the original terms. TSB certified activity logs are available for your review.
